

PARK RULES

Otter Creek Lake & Park

Tama County, IA

1. **PROHIBITED DESTRUCTIVE ACTS** It is illegal to destroy, injure, or deface anything within park boundaries including plants, buildings, trees, natural or material property. You cannot remove anything from the park either such as plants, trees, buildings, sand, gravel, ice, earth, stone, wood, etc. All vehicles must be kept on roads and operated as the county conservation board dictates.
2. **SPEED LIMIT** The speed limit is 15 m.p.h.. All driving is restricted to roadways.
3. **EXCESSIVE LOADS** Excessively loaded or overwide vehicles cannot be operated in the park. The determination of overloaded or overwide will be made by park staff.
4. **PARKING** All vehicles must park in designated areas only. At the beach parking lot all vehicles must park facing into the parking barriers. If none are available the overflow lot located two hundred yards to the south must be used.
5. **FIRES** Fires are allowed in fire rings provided by the county conservation board only. Fires must be contained within the fire ring. No portion of the firewood is allowed to rest on top of or extend beyond the walls of the fire ring. No firewood containing nails will be allowed to be burned in the park, which includes all wood pallets. Rangers shall have the authority to rule any fire a hazard and can request that the fire be extinguished. All fires must be extinguished when the site is vacated. **Buy local, burn local. No out-of-county firewood may be burned at facilities managed by the Tama County Conservation Board.**
6. **REMOVING PLANTS, FLOWERS, FRUITS** No person can remove, injure, or destroy any tree, shrub, plant or flower, or fruit except mushroom and varieties of nuts, fruits or berries may be collected for food.
7. **USE OF FIREARMS PROHIBITED** Use of firearms, fireworks, explosives, and weapons is prohibited. A person may use a bow and arrow with an attached bow fishing reel and ninety-pound minimum line attached to the arrow to take rough fish.
8. **CARRYING FIREARMS** No person shall carry any weapon on his person while in the park unless broken down and contained in a case or in accordance with Iowa's Right to Carry statute. The only exception being a peace officer while on duty.
9. **LITTERING GROUNDS** Any waste, refuse, litter, glass, etc. must be placed in garbage cans only. It is illegal to dump household waste into park garbage receptacles.
10. **PROHIBITED AREAS** Any area signed restricting use or entry cannot be entered without specific permission from the Ranger.
11. **ANIMALS ON LEASH** Animals cannot be allowed to run at large in the park and must be kept on a leash not longer than six (6) feet.
12. **HITCHING TO TREES** No horse or other animal may be hitched to a tree, or hitched to anything which may result in damage to property.
13. **CLOSING TIME** The park is closed to all between 10:30 p.m. and 4:00 a.m. the next day. The only exceptions are (1) a registered camper, and (2) for someone fishing if the person(s) is actively fishing, quiet, parked in an approved lot, and is not parked in the primitive camp section or in any lots servicing the electrical camp section (including the beach parking lot).
14. **CAMPING AREAS** Camping is allowed only in areas designated for camping. Only tents, small popup campers, camper vans and truck campers are allowed in the primitive camp section located in the SW corner of the park. All camping units are welcome in the electrical camp section.
15. **PROPER PARKING/PITCHING OF CAMPING UNIT IN ELECTRICAL CAMP SECTION**
 - A. In the electric camp section all RV camping units must be parked with the outlet side of the electric pedestal facing the camping unit. (**IMPORTANT:** If any part of your camping unit or

motor vehicle extends behind the electric pedestal you are parked incorrectly.) RV camping units are defined as motorhomes, campervans, caravans (also known as travel trailers and camper trailers), fifth-wheel trailers, popup campers and truck campers.

- B. If possible please park your RV unit to allow another camping unit to use the pedestal. Our pedestals can accommodate two camping units if space allows. (**NOTE: DOES NOT** apply to Sites 30- 40)
- C. Also the camping unit must be parked in a manner so as to not block any portion of the access or camp loop roads.
- D. **TENTS** The motor vehicle of a tent camper shall be parked as stated in "A" (see above) with the outlet side of the camping pedestal facing the motor vehicle and the motor vehicle parked parallel to the camp loop road. Up to two tents can be pitched on one site. All tents will pay the same rate (per tent) as any other camping unit in the electrical camp section. Tents must be pitched within the campsite lawn area designated by the pedestal and cannot infringe on adjoining campsites.

16. **LENGTH OF STAY** No camping unit may stay for longer than fourteen (14) consecutive days.

17. **REGISTERING, VACATING** It is the responsibility of the camper to register and pay for campsite rental. All camping areas are SELF-REGISTRATION. Campers must register within thirty (30) minutes of their arrival and before 4:30 p.m. on any day they must re-register.

18. **VEHICLE RESTRICTIONS** No trailer or mobile home longer than forty (40) feet can use the facility.
