

TAMA COUNTY

The Tama County E911 Service Board meeting was called to order at 6:32 PM April 11, 2017 by Chairman Boll (Toledo).

Also Present were Mary Wankowicz, Dave Svoboda and Glenn Thorne

Motion by Dvorak, second by Fassett to approve agenda. All ayes. Motion carried.

Motion by Van Egmond, second by Johnson to approve October meeting minutes, all ayes. Motion carried.

Motion by Sheriff Kucera, second by Sash to approve Claims, all ayes. Motion carried.

Mindy and Jeremy provided the members present with an update on the progress of the GeoComm map project. Currently GeoComm is working on plotting all of the street ranges and address points in our county. That should hopefully be completed in the next few weeks. Then we should be moving onto the next phase which should include plotting, and overlays of fire, ems, and law enforcement icons for call types. Hopefully the new map will be installed by June 2017.

Diana Richardson and Clint Schlabaugh were present at the meeting to speak to members about RACOM and what their company could do for Tama County. RACOM is also going to work with Mindy and Jeremy to look at our sites and equipment to see what their company could provide us for service if Tama County would like to switch vendors. RACOM should have a proposal to Tama County by Mid-May 2017.

Mindy stated to the board that we do have an open position in the Executive Board since Mike Skopec has since been replaced for Traer. Motion was made by Joe Dvorak to have Carol Waltemate as the new Executive Board member, motion seconded by Fassett. All ayes, motion carried.
