Review of by-laws changes, adding the means to vote and hold meetings electronically was discussed. This would be another option for members to attend our meetings when schedules don't always allow or inclement weather. In the packet, the verbiage change had been made and distributed. Van Egmond made a motion to accept the changes as written, second by Sells. All ayes via roll call vote, motion carried. It was discussed, because this is a by-law change that we needed to hold three readings however a motion could be made at the next meeting to waive the third reading.

A motion was made by Van Egmond, seconded by Bina to move forward with the 6 site SARA Network build out. Van Egmond then withdrew her motion and proposed a new motion that we move forward with getting pricing per Tama County resident for the 6 site SARA Network build out, second by Boll. Roll call vote was completed with Van Egmond, Sash, Sells, Bina, Boll voting in favor, motion carried.
